

In the old Vermont workshop right on Route 4
 Is a magical place behind the black door.
 Filled with wonderful people who gather each day
 To learn and explore in their own special way.
 Our day is fulfilling from beginning to end
 With incredible programs, activities and friends
 We're creative, artistic and musical to boot
 We dance and do yoga it's always a hoot.
 We play games with Carl and we boogie with Jen
 We do nutrition with Vince and even some zen.
 We work out with Bari to stay limber and fit
 And our Mondays at Artistree are always a hit!
 The movies at Pentangle, right down the street
 Seeing ALL NEW releases, oh what a treat!
 Swimming at UVAC and maple lanes, bowling
 We're constantly busy we keep the ball rolling
 In summer we cycle, kayak and canoe
 in winter we ski with Tom and his crew
 Our walks in the village make everyone smile
 Visiting and chatting every once and awhile.
 Our trips to Billings Farm are always such fun
 The animals the programs, we're learning a ton
 Our field trips, amazing are many and great
 Oh the places we go and the things we create!
 All these wonderful programs that were lucky to do
 Are because of the support from people like you!
 So sit back and relax while you sipping your tea
 And remember at Zack's Place our programs are free
 We fundraise and write grants to amazing foundations
 But as a non-profit we look for donations!
 So.... this poem that we've written is also a plea
 to support us again with "Our Stay at Home Tea"

At Zack's Place we focus on providing opportunities for our participants to learn, grow, challenge themselves, and create lasting bonds of friendship. Through fund raising, all of our programs are provided to our participants at no cost. We rely on the generosity of our community to gain funding for these programs, that allow our participants to grow in creative ability, physical ability and self-esteem through opening new doors of inquiry. Ultimately, our hope is that our participants will gain confidence while always being loved and respected for their unique gifts and their contributions to the world.

The Stay-At-Home-Tea offers you an opportunity to support a variety of programs that enhance the lives of our participants. We offer you this tea bag, and ask you to take a moment out of your hectic day to learn about Zack's Place, and consider offering your support. Whether we are kayaking or creating art, skiing or snowshoeing or riding horses, we are always learning and growing, and we cannot do it without you.

So, enjoy a cup of tea from our friendly group to you, and, make a donation today to keep this vital program working in our community.

Your donations will help keep these vital programs operating.
